

Headteacher's Blog

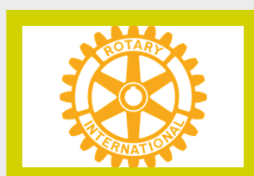

Friday 19th March 2021

Now that we have been back for almost 2 weeks we will be expecting children to be wearing the correct school uniform. If your child is waiting for a school shoe order please contact your class teacher and myself directly so we are aware. Used school uniform will be available throughout the day tomorrow at no cost. Our uniform list can be found -<https://whittingham.eschools.co.uk/website/brochures/396787>

Dear Parents and Carers,
It has been lovely for us all to enjoy a little bit of warmth and sunshine during our school day enabling us to make the most of learning outside. The children have all quickly settled back into school, are working hard, behaving well and demonstrating the most fantastic manners. I am proud to say I have recognised characteristics of our '3R's': Resilience, Responsibility and Respect. Well done everyone!
Mrs Athey - Headteacher.

World Book Day.

Thank you to everyone who enabled their children to dress up or dress down last Friday. The children had great fun and it was wonderful have such a fun event to finish off our first week back together. Pictured below are Classes 2 and 3 looking fantastic. Please look out for many more photos on our Whole School Gallery and Class pages on the school website.

Thank you Alnwick Rotary Club

We have started developing links with Alnwick Rotary Club through the recent successful Year 5 and 6 writing competition. We hope to be further involved with them in the future. In the meantime, they have kindly donated a cheque of £100 towards our planting projects.
