

Dear Parents, Carers and Friends,

Another week has past us by, and we are very quickly approaching the end of term. Our last week is transition week where your children will join their new classes. A difference for the children moving into Year 1 will be that they will enter and leave school via the main school gate and for the children in moving into Reception, they will be staying in school all day.

Please remember, children who walk or are driven to school need to be on school site at 8.45 as the register is taken at 8.50 and lessons start directly afterwards so it is really important that they are in school at the correct time.

As always, if you have any questions, queries, concerns or indeed are pleased about something which has happened in school please do not hesitate to contact us.

Looking forward to another healthy and happy week.

Best Wishes,

Belinda Athey - Headteacher.

Letters to Northumbear Competition:

We are so proud to have some winners in our school despite numerous schools entering with over 400 entries in total.

Gold Winner - Kitty.

Silver Winners - Ella W, Willow, Bertie, Jess.

Bronze Winners - Arthur, Brandon and Rhys

Certificate of Merit - Tilly W

Well done to all the children in KS1 and 2 who entered and for your fantastic entries.

Fingers crossed that we will do as well in our Best Decorated School Award entry!

Pen Portrait - Mrs Marsden who has answered Annabelle's interview questions.

Q- If you had to live on chocolate or crisps for the rest of your life, which one would it be?

A -I think I'd choose crisps because there are more flavours.

Q-What tasks/ challenges do you have to overcome on a daily basis?

A-I suppose the general juggling of life to get everything done.

Q-What's your favourite time of the day?

A -Evening is my favourite - quiet time.

Q -Is your job something you always wanted to do?

A -Yes, ever since I was little.

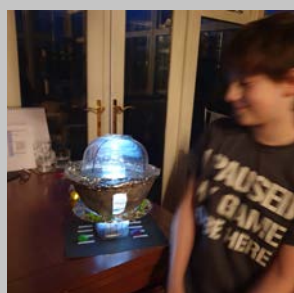

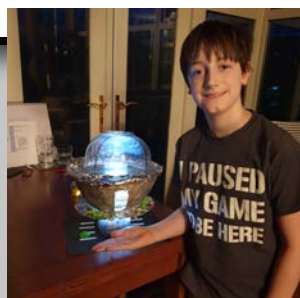

Q- If you weren't a teacher, what job would you go for?

A-I've always wanted to be a teacher but a social worker would've been my second choice.

More fantastic achievements!

Back in January Class 3 took part virtually in the 'Teen Tech, City of Tomorrow' projects with schools across the NE. The country wide finals were last week and Alex's design and model of a school of tomorrow - The Seed was voted 1st place in this category which is absolutely fantastic, a very well done to Alex and to all the children in Class 3 who designed and made some very interesting buildings.

Last year children in Years 3-6 took part in an art competition held through the Bailiffgate Museum for their Viking Exhibition. The children's entries are on a video reel in the museum playing to visitors and out of the hundreds of entries Patsy's drawing was chosen as a category winner and is displayed in the exhibition. Patsy went to a presentation at the weekend and can be pictured here.
