Dear Parents/Legal Guardians,

We hope the planned relaxation of Covid restrictions will be such that we will be able to offer after school clubs once more in September. Currently, we are still advised to offer clubs in class bubbles and we could not manage to support this financially.

In order for us to plan ahead, it would be appreciated if you could respond to our letter below.

After School Childcare Provision – This would be open from 3.15 –5.30 pm; costs would be around £3.50 for the first hour and £7.00 for the full session. This cost may increase or decrease depending upon uptake.

It would be extremely helpful if everyone could reply to this consultation by email or paper copy by Friday 21st May 2021. I have also included a section for your comments regarding which type of club your child would prefer,, ensuring the School and Governing Body have a clear understanding of the needs of our families and local community, and can plan staffing accordingly.

Kind Regards,
Belinda Athey – Headteacher.
