Inference Questions

INFERENCE questions are all about figuring things out from the text — you have to be a bit of a reading detective. See if you can snoop out the answers to these questions.

1. According to the introduction, why might the reader avoid dancing?

.....

.....

1
mark

2. Read the paragraph beginning 'Before you choose a dance style...'

Why might a beginner need to try more than one dance style?

.....

.....

1
mark

3. Read the paragraph beginning 'When you think of ballet...'

What evidence is there in this paragraph that ballet dancers are strong?

.....

.....

5. '...classes for these dance types are now springing up all over the place.'

What does this tell you about ballroom and Latin dancing today?

They are very unpopular.	They have become less popular.	Their popularity has not changed.	They are very popular.
